After shave moisturizer

alcohol free

homme

Soothe irritated skin with a refreshing after shave moisturizer.

- Ideal for sustainably alleviating the irritation and redness and skin burning that occur immediately after shaving.
- Aloe vera cools with its long-term moisture effect.
- The skin is left feeling elastic and supple.
- **Even for sensitive skin.**

Active substances:

• Aloe vera • Bisabolol • Grape seed oil • Cupuaçu butter

Code 1195, 100ml.

Anti-aging cream

with threefold effect

homme

Skin that looks **10** years
younger in 42 days

Scientifically Confirmed Effects

Thanks patented active substances:

• Linefactor® • Proteasyl® • Aquarich®

- Linefactor® is a hibiscus extract, increasing **firmness** in mature skin. In 42 days, Linefactor® turns the clock back 10 years by rejuvenating skin texture and density (in vivo test).
- Proteasyl®, helps with the stimulation of collagens and shows an improvement of **skin elasticity** and firmness (clinical demonstration). The skin is left feeling elastic and supple.
- Aquarich® Deeply effective and long-lasting improvement in skin **hydration** better hydration effect than glycerin or hyaluronic.

Anti-aging fluid mat

homme

Threefold effect fluid

- ☐ Reduces the pores size
- ☐ Reduces depth wrinkles
- ☐ DNA protection from photoaging

Scientifically Confirmed Effects

thanks patented active substances:

• Evermat™ • Proteasyl® • SyriCalm™

- Proteasyl®, helps with the stimulation of collagens and shows an improvement of **skin elasticity** and **firmness** (clinical demonstration).
The skin is left feeling elastic and supple.
- SyriCalm™ is based on high-end extracts of Phragmites communis and Poria cocos, contains Vitamin F forte, this supports the skin in accelerating the recovery of its function as a physical barrier and protects against **UV** irreversible cell damages.

Anti-aging fluid mat

homme

EVERMAT

Patented main Ingredient

Extract compound from Enantia Chlorantha
(african tree) and oleanic acid
for matting and narrowing of the pores

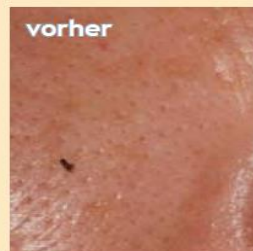

Scientifically Confirmed Effects

28-days clinical study –
two applications per day shows:

- **-36%** Reduction of diameter and surface of the pores.
- **-55 %** Reduction of oily shine.
- **-29%** Reduction of active sebaceous glands.
- **-32 %** Reduction of seborrhoea.

3D Aufnahmen der Hautporen

Code 1197, 50ml.

Before

28 days after

Eye contour gel cream

with threefold effect

homme

Scientifically Confirmed Effects thanks patented active substances:

• Exeliss™ • Linefactor® • Aquarich® • SyriCalm™

- Exeliss™ reduces **rings** around the eyes and **puffy** eyes. Improves the tendency to develop wrinkles **wrinkles** and **swelling**.
- Linefactor® is a hibiscus extract, increasing **firmness** in mature skin. In 42 days, Linefactor® turns the clock back 10 years by rejuvenating skin texture and density (in vivo test).
- Aquarich® deeply effective and long-lasting improvement in skin **hydration** better hydration effect than glycerin or hyaluronic.
- SyriCalm™ is based on high-end extracts of Phragmites communis and Poria cocos, contains Vitamin F forte, this supports the skin in accelerating the recovery of its function as a physical barrier and protects against **UV** irreversible cell damages.
