## MILD GEL CLEANSER Gel Démaquillante Confort

All types of skin

### MILD, FOAMING CLEANSING GEL – CONTAINS NO OIL

A luxurious foaming cleansing gel for thorough and quick **removal** of all **make-up**, including eye make-up.

Mild Gel Cleanser leaves the skin's **protective film** intact.  
The result is cleaner, more supple and perfectly cleansed skin.

#### BENIFITS:

- The special cleansing experience
- Thorough, gentle cleansing
- Works into a wonderfully **fine foam**
- Does **not dry** the skin out
- The skin is left **clear, supple** and pleasantly **refreshed**
- Gently removes even thicker make-up

#### ACTIVE SUBSTANCES:

- Evening Primrose Oil • D-Panthenol.
- Pentavitin® • Mild, Oat-based Tenside.

Available as: Retail 200 ml. Code 100 / Cabin 500 ml. Code 334 / Sample 5 ml. Code 431

#### APPLICATION:

Morning & evening together with a little water, work a small quantity of cleansing gel into a foam in the hands, and apply onto the face. Massage in a gentle circling motion using the finger tips and subsequently remove with plenty of water. Finally treat using the corresponding lotion.

## REFRESHING LOTION Lotion Rafrâchissante

All types of skin

### SOFTENING AND REFRESHING, ALCOHOL FREE FACIAL LOTION

An enriched softening lotion that **immediately** infuses generous moisture into skin and leaves the skin feeling wonderfully soft. The absorption of subsequent active care substances is improved. Dramatically **refines skin texture** and **minimizes** the appearance of conspicuous **pores**.

Results are visible, tangible and instant: skin feels revived, soft, fresh and luminous.

#### BENIFITS:

- Particularly gentle removal of chlorine and calcium residues from the skin
- Optimally prepares the skin for subsequent products
- The skin is pleasantly refreshed
- Moisturising

#### ACTIVE SUBSTANCES:

- Allantoin • Calendula Extract
- D-Panthenol • Peppermint Water.

#### APPLICATION:

After cleansing, apply onto a dry cotton wool pad and gently rub over the face and neck.

## LIFTING EYE MASK Masque Relax des Yeux

All types of skin

### HIGH POTENCY DAILY MOISTURIZING EYE MASK TREATMENT

A powerful ultra- rich age- defense **eye mask**, that protects skin from a harsh, dehydrating environment and dramatically **minimizes** the appearance the of the wrinkles and lines to promote a youthfully smooth radiant look.

Signs of fatigue are combated; rings around the eyes and **swollen** lids are **visibly** reduced.

#### BENIFITS:

- Gently cooling anti-stress eye mask
- Refreshes, relaxes and regenerates
- **Rings** around the eyes, **swelling** and **creases** are **visibly reduced**
- The skin is intensively moisturised
- Tired, stressed eye contours appear relaxed and recuperated again
- The eye area is intensively moisturised

#### ACTIVE SUBSTANCES:

- Iris Isoflavones • Evening Primrose Oil • Anti-Age Eye-Complex • Aminofeel
- D-Panthenol • Pentavitin® • Jojoba Oil

Available as: Retail 30 ml. Code 111 / Cabin 100 ml. Code 353

#### APPLICATION:

Evening. After cleansing, apply closely around the eyes and allow to work in for 15- 20 minutes. Then remove with cool water.

If required, the eye mask may be applied several times per week in the morning or evening. Particularly if there is a problem with rings around the eyes, the mask should be applied three to four times per week. Combination with "Lifting Eye Gel" intensifies the product's effectiveness in combating possible eye problems and is highly recommended.

TRIPLE ACTION HAND CREAM  
Anti-Âge des Mains

All types of skin

SPECIAL CREAM COMPOSITION FOR BEAUTIFUL HANDS

This perfect, exclusive hand care is tailored to meet the requirements of demanding, highly-stressed skin and has particularly long-lasting effect.

Thanks to its three-fold effect with extensive **UV** protection, intensive **moisture** care and an active system to prevent **pigmentation** marks, the hands are protected against premature, light-related skin ageing.

BENEFITS:

- Extensive UV protection thanks to **UVA** and **UVB** filters
- Innovative, rapid-acting system to prevent **pigmentation** marks
- Protects the hands against premature, light-related ageing
- Has a particularly smoothing and protecting effect on rough and sensitive skin
- Intensively **moisturises**
- Supplies the skin with nutrients and regenerates it
- Is rapidly absorbed, **not greasy**

ACTIVE SUBSTANCES:

- Iris Isoflavones • Evening Primrose Oil • Melaxin S • Vitamin E • Pentavitin®

APPLICATION:

Apply the hand cream sparingly onto the dry hands and massage in each time the hands come into contact with water, before exposure to the sun or as required.
