Phyto StemCell

vital day cream
SPF 15

Medically proven advantage:

- "Botox®" principle.
- Patented **LXR** technology, Vegetable power complex made of jiaogulan, rockrose and glutamine to supplies the skin with nutrition and resistance.
- Improves the skin's firmness, elasticity and smoothness.
- Intensive moisturiser with hydrating hyaluronic acid.
- Intensive skin regeneration.
- Fights reddening, roughness and sallow skin.

Active substances:

- LXR combination active substance (jiaogulan, rockrose, glutamine)
- Hyaluronic acid • Jojoba oil • Vitamin E • Sun protection factor 15

LXR, The plant *Gynostemma pentaphyllum* activates **the liver X receptor (LXR)**, a master regulator of epidermal lipid synthesis. Through the stimulation of the epidermal lipidsynthesis, the skin barrier is restored from within.

Phyto StemCell
