végétalie

The 4-pillar concept of végétalie

1. Plant-based tuberose stem cells.
2. Highly-effective, skin-smoothing active substances and cell protection.
3. Diverse natural moisturizers which maintain the balance of the moisture level in the uppermost skin cells.
4. High-quality oils and waxes – all purely plant-based of natural lipids.

végétalie

Plant Stem Cells

The main active ingredient in the
végétalie
products is an innovative plant
stem cell complex from the tuberose,
additionally enriched with betaine,
a kind of natural “enhancing booster
