vénusté

New **body** care successful concepts combine **the natural power of plants with ultra-modern cosmetic technology** in terms of the verifiability of the effect and penetration capacity of the active substances in the skin.

The name consciously calls to mind:

Venus,

the Roman goddess of love and grace, with her legendary beauty, who was well aware of her irresistible, seductive appearance.

The most beautiful of all goddesses – Venus – is an ideal.

Delicate shower cream

INTENSE MOISTURISING / "SECOND SKIN" EFFECT

The fine gel cream is the perfect start to the personal Vénusté care ritual. The mild foam cleanses the skin gently and thoroughly, maintains its natural moisture content, and leaves the skin feeling silky and wonderfully cared-for. The shower cream is easily distributed over the body, and gently envelops it with the discrete fragrance of Vénusté.

Active ingredients: D-panthenol, Pheohydrane®

Confirmed benefits in Clinical tests:

- **Immediate moisturising effect**
-> Immediate binding of the water in the *stratum corneum*.
- **Cumulative effect**
-> Increase in moisture levels of the epidermis, which increase day by day each time the product is applied.
- **Persistent effect**
-> Restructuring effect on the epidermis with a visible, long-term.

Himalaya salt scrub

INTENSE DETOXING

The unique collection of Himalaya crystal salt and a valuable combination of caring plant oils rids the skin of dead skin cells, and pampers the senses with a refreshing, aromatic fragrance experience. Cleanses intensively, vitalizes, regenerates and leaves behind silky-soft skin.

Active ingredients: Himalaya crystal salt, sunflower oil, argan oil, macadamia nut oil, olive oil

Confirmed benefits:

- **Hydration effect**

-> Improves hydration by strengthening the barrier function of the skin.

- **Hydroscopic effect**

-> Draw moisture and nutrients from the deeper levels of the skin up to the epidermis.

- **Detoxing and healing effect**

-> Helps to heal and bring relief to irritating and painful skin disorders such as acne, eczema and psoriasis, has excellent antiseptic qualities.

Perfecting body scrub

INTENSE MOISTURISING

The skin-refining body peeling with caring apricot kernel and jojoba oil ensures that the skin is left feeling fresh, vital and smooth. Natural micro pearls gently remove surplus and dead skin cells. The skin is left feeling wonderfully soft and smooth again, and radiates new freshness.

Active ingredients: Apricot kernel oil, jojoba oil, cellulose peeling particles, shea butter

Confirmed benefits:

- **Nanocrystal's effect**
-> Natural peeling spheres without sharp edges for gently removing dead skin cells from the skin and for improving the skin profile.
- **Nourishing effect**
-> Rich source of fatty acids as well as Vitamin E and A, which keep your skin supple and healthy.

Refirming body oil

INTENSE MOISTURISING

The fine, liquid care oil with concentrated plant power helps to improve the skin's elasticity. Enriched with valuable oils and a combination of active ingredients to combat loss of skin tone, it can prevent stretch marks and small dimples.

Active ingredients: Amaranth seed oil, avocado oil, pomegranate seed oil complex, anti-progeria complex, milk thistle oil, sesame oil

Confirmed benefits:

- **Hydration effect**

-> Contains the highest concentration of Squalene (8%), Squalene is one of the most common lipids produced by our own skin and is a natural moisturizer.

- **Tightening and Firming effect**

-> highly effective in reducing and preventing fine wrinkles and in firming the epidermis.

- **Anti „Progeria“ complex**

-> Inhibits the protein progerin, which causes the skin to age.

Deep comfort body lotion

INTENSE MOISTURISING

This rich body lotion soon turns any unpleasant tightness into a distant memory. Enriched with nourishing apricot kernel oil, shea butter and Moringa seeds extract, the lotion is quickly absorbed by the skin and at the same time protects it against harmful external influences and is intensely moisturizing. Skin feels soft and supple again.

Active ingredients: Apricot kernel oil, betaine/sugar beet extract, Purisoft/moringa seed extract, shea butter, plant-based squalanec

Confirmed benefits:

- **Hydration effect**

-> Contains the highest concentration of Squalene (8%), Squalene is one of the most common lipids produced by our own skin and is a natural moisturizer.

- **Tightening and Firming effect**

-> Highly effective in reducing and preventing fine wrinkles and in firming the epidermis.

- **Balance of the skin's oils effect**

-> Highly effective squalane may help restore the proper balance of the skin's oils.

Refirming body cream

WITH PLANTS EXTRACS and high-tech active substances

This rich, nourishing, lifting comfort cream with **moisturizing, firming and toning** plant extracts intensively supports the skin's natural elasticity and ensures an even complexion. This soft blending cream contains an effective combination of active ingredients with extracts of black crowberries, white horehound, maral root and Chinese jujube. It makes skin look and feel firmer and more toned. **It is also recommended to reduce the appearance of stretch marks, e.g. during a diet to keep skin silky and soft.**

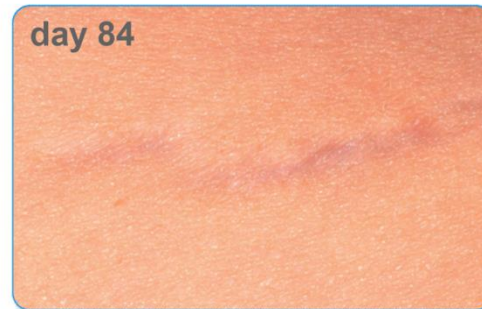

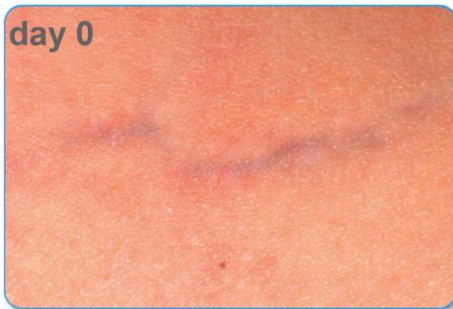

Active ingredients: Amaranth seed oil, black crowberry extract, sugar-based moisture retention factor, tripeptide-5, shea butter, jujube/maral root extract, white horehound.

Refirming body cream

WITH PLANTS EXTRACS and high-tech active substances

Improvement after 84 days compared to day 0

BEFORE

AFTER

Confirmed benefits:

- **Stretch mark reducing effect**
-> Contains highly bioactive, deeply skin penetrating **tripeptide**, that should be able to reduce appearance of stretch marks.

The clinical study has shown significant reduction of the appearance of wrinkles after use of 84 days.

Refirming body cream

WITH PLANTS EXTRACS and high-tech active substances

Confirmed benefits:

- ***Inhibiting effect on MMP-1***

-> Contains highly concentrated black crowberry extract, the clinical vitro test on the inhibiting effect on MMP-1 collagenase**:

show it's **reduced by 82%**

Matrix metalloproteases (MMP-1) is an human enzyme that is involved in the breakdown the interstitial collagens and is mainly responsible for the decomposition of healthy tissue by malignant tumor cells.

** On a model of human keratinocytes

Refirming body cream

WITH PLANTS EXTRACS and high-tech active substances

Confirmed benefits:

- **Anabolic effect**

-> Contains unique maral root extract, which increases protein synthesis at the cellular level, which leads to increases in muscular tissue.

- **Skin strengthening effect**

-> In clinical vivo test on the skin characteristics***:

Improvement of skin strength in

58% of the test persons.

*** Randomized study in 19 test persons, female, between 27-69 years old, application of product twice a day over 56 days.

circumference
(0.6 cm on average)

[**Centimeter increase
for 60% of the volunteers**]

Protective hand cream

INTENSE MOISTURISING / “SECOND SKIN” EFFECT

This moisturizing cream with aloe vera, rosehip oil, hyaluronic acid and UV protection (SPF 10) envelops hands like a protective glove without leaving them feeling greasy. The fine lotion makes hands silky, helps maintain the skin's moisture balance and protects it against harmful external influences. For a new feeling of silky soft and radiant, healthy looking hands..

Active ingredients: Allantoin, aloe vera, UV filters, D-panthenol, rose hip oil

Confirmed benefits:

- **Immediate skin regeneration effect**

Contains **Allantoin**: Protein metabolism active substance.

-> Promotion and acceleration of cell proliferation:

Just a few applications improve epithelization (skin regeneration) and the condition of superficially damaged skin.

Allatoin also soothes irritated skin and reduces redness, flaking and other unpleasant sensations.
